SCHOOL PARENT COMPACT K-5

As a school we will

work with students and their families to support students' success in Reading and Math. by:

- Providing weekly instructional videos about Reading and Math on "Class Dojo".
- Providing Reading and Math homework
- Holding the Monthly Principal's Book club, to promote Reading.
- Sending books/ materials to read at home
- Sending Math books/materials to practice at home
- Providing links to instructional websites about Reading and Math
- Having an open channel of communication through Class Dojo, Google Classroom, e-mail, Phone calls.
- Keeping parents informed about the student's progress through Progress Reports, Report Cards, Class Dojo, Infinite Campus, e-mail, phone calls, parent-teacher conferences
- Offering tutoring opportunities in Math and Reading for students.

⇒ .

As students we will.....

- Complete and submit our homework as required
- Read at least 30 minutes a day
- Practice Math, multiplication facts at least 30 minutes a day.
- Share with our parents everyday what we have learned and give them all the paperwork and notes that our teachers send home.

UNIDOS DUAL LANGUAGE SCHOOL 2018-2019

As family we will.....

support students' success in reading and Math by:

- Reading with their children at least 30 minutes a day. Asking questions to promote comprehension, such as: "What do you think about this word? What is the story about?"
- Assisting children with homework, helping them schedule appropriate homework time, helping them use critical thinking skills to solve problems, and encouraging them to complete and submit all their homework
- Making children practice the Math skills they are learning in their class (addition, subtraction, multiplication, division, etc.)
- Asking children to help with daily activities that involve using the math skills they are learning: house projects, cooking, shopping, etc. (counting items, calculating the total cost of shopping items, calculating change, savings required to buy something, following instruction for recipes, measuring, calculating distances, etc.)
- Watching the instructional videos that teachers send, reading all communications coming from the school. Communicating with teachers to inquire about the curriculum, assignments and student progress.
- Attending parent-teacher conferences and school events for parents (open house, curriculum nights, parent workshops, etc.)
- Asking children to practice letters and numbers in writing and identifying them in books or environmental print (ex when they go to the store asking what

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective Compacts:

- ◆ Are linked to school improvement plan goals.
- ◆ Focus on student learning skills.
- ◆ Describe how teachers will help students develop those skills using high-quality instruction.
- ◆ Share strategies parents can use at home.
- ◆ Explain how teachers and parents will communicate about student progress.
- ◆ Describe opportunities for parents to volunteer, observe, and participate in the classroom.

Jointly Developed

The parents, students, and staff of Unidos Dual Language School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year—in Spring and Fall—to review the compact and make changes based on student needs. Parents are welcome to submit comments at any time.

If you would like to participate by volunteering at the school please contact Mrs. Vazquez at the Parent Resource Center in Mod 44. If you would like to visit a classroom, please contact the teacher(s) 24 hrs. in advance and read the school policy (available on the school website and at the Parent Resources Center

Unidos Dual Language School
