What is Title I?

Unidos Dual Language School is identified as a Title I school as part of Every Student Succeeds Act (ESSA) of 2015. Title I is designed to support State and local school reform efforts tied to challenging state academic standards that reinforce and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parental involvement. All Title I schools must jointly develop with all parents a written parental and family engagement plan.

UDLS-SCHOOL PARENT AND FAMILY ENGAGEMENT PLAN FOR SHARED STUDENT ACHIEVEMENT 2019-2020

What is it?

This is a plan that describes how Unidos Dual Language School will provide opportunities for improving parent engagement to support student learning. Unidos Dual Language School values parental contributions and involvement to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Unidos Dual Language School will support parent and family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

Unidos Dual Language School invited all parents to attend meetings to review and revise this parental involvement policy, as well as the school-wide plan, our school-parent compact and the parental involvement budget. Additionally, parent input and comments regarding this plan are welcome during the school year through an online form. The plan is posted on our school web site for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey online (and paper-pencil) asking parents for their suggestions on the school-wide plan and the use of funds for parental involvement. Parents can also give feedback during several parent meetings and activities held during the school year.

Who is it for?

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. Unidos Dual Language School will provide all parents plenty of opportunities to participate.

Where is it available?

We will send the plan to all parents. The plan will also be posted on the school web site. Parents can also retrieve a copy of the plan in the Parent Resource Center.
